

Scott Road/Interstate 215 Interchange Project

CONSTRUCTION ALERT | October 15-21, 2018

CONSTRUCTION UPDATE - LANE REDUCTIONS ON I-215

Nighttime work with intermittent freeway ramp and lane closures is scheduled this week to restripe I-215 and add K-Rail. This will result in lane reductions in both directions beginning Tuesday morning for the duration of the project.

Both NB and SB outside lanes will be used for motorists entering and exiting the freeway only, creating workspace to build the new bridge and ramps.

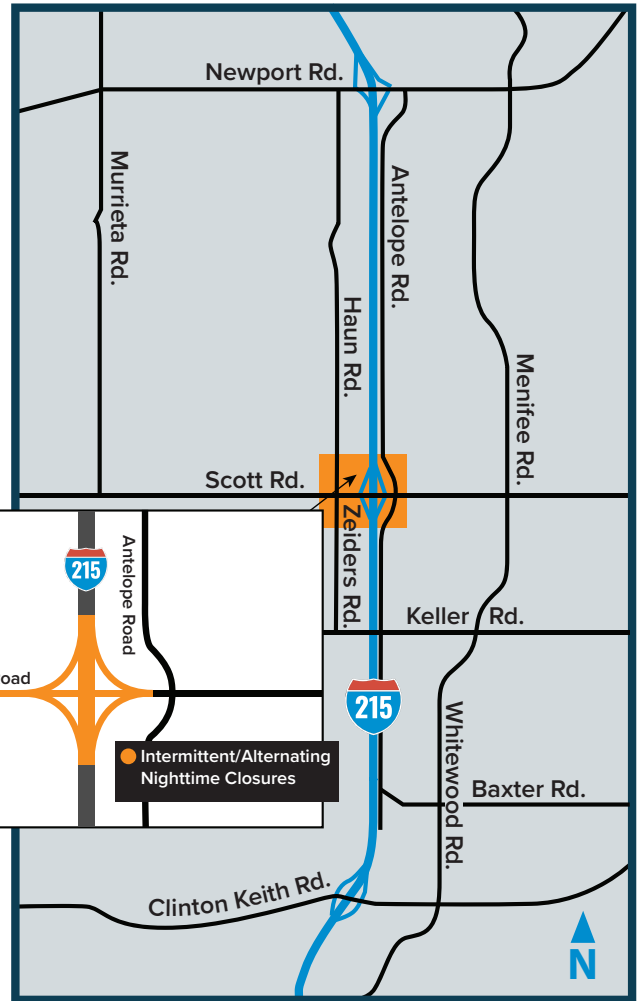

TRAFFIC ADVISORY

- Overnight intermittent ramp and lane closures scheduled Monday night through Saturday morning.
- Lane reductions on I-215 in both directions for the duration of the project beginning Tuesday, Oct. 16.
- Expect freeway congestion during commute times—use alternate routes.
- Scott Road and businesses open during construction.
