City of Menifee Announces Full In-Person Reopening While Continuing Convenient Virtual Services

Menifee, CA—The City of Menifee will fully return to its in-person schedule beginning Monday, June 28, with facilities open from 8 a.m. to 5 p.m. Monday through Friday. In-person meetings will also welcome guests at full capacity without social distancing requirements. Virtual services will still be available to provide businesses and residents options for how they do business with the City. As the state of California and Riverside County fully open, the City is excited to return to its full in-person hours after operating with modified schedules throughout the pandemic.

Armando G. Villa, Menifee City Manager, expressed his gratitude to both residents and staff for their flexibility, creativity, and resilience over the past year. “Throughout the pandemic, our goal has always been to serve our residents, businesses, and developers as conveniently as possible, while keeping the community safe. The community’s support and willingness to adapt to virtual services and then modified in-person has been incredible. I also want to thank our Menifee team who have continuously innovated in order to provide the service our residents deserve,” shared Villa.

The City is taking precautions to prevent the spread of COVID-19, even while opening to the public. Safety measures have been made at all of the City’s facilities and modifications to keep both the public and staff safe will be in effect as City buildings are fully reopened.

The City is proud to still offer its innovative virtual services in conjunction with the in-person hours. From the very onset of the pandemic, the City of Menifee was able to quickly transition to full “Zero Stop Shop” virtual services in order to keep Menifee moving forward. The City is still encouraging residents and customers to use its convenient virtual “Zero Stop Shop” services and visit the [City’s Virtual City Hall](#) webpage, which includes virtual permit resources and information on project processes for all stages of development, as well as information on Community Services programming, and business resources. In addition, enhanced services on the [Menifee Permit Portal](#) allows users 24/7 access to submit plans, schedule inspections, make payments, get permits, track their project, and find records all from a single online web platform.

Beginning on Monday, June 28, in-person hours will be 8 a.m. to 5 p.m. at Menifee **City Hall** (29844 Haun Road), **Menifee Community Services Department Administrative Offices** (29995 Evans Road), and the **Menifee Police Department Lobby** (29714 Haun Road).

For more information about the City’s in-person and virtual services and programming, please visit www.cityofmenifee.us or call (951) 672-6777.

ABOUT MENIFEE: *Situated in the heart of southern Riverside County along Interstate 215, Menifee is a vibrant, new city of more than 100,000 residents who enjoy a pleasant year-round climate, abundant recreational offerings, reasonably priced housing, and convenient proximity to some of Southern California’s premiere attractions and employment centers. Within its 50 square miles, Menifee’s business, retail, and entertainment outlets are starting to shape the community’s character and this growing economic base is also contributing favorably to the city’s strong financial position. Menifee’s growing family-oriented population values the city’s ongoing commitment to public safety, community events, and smart growth for the future. All of these elements are working together to support the city’s strategic vision to make Menifee one of the state’s most promising new cities.*
