Fairfield Inn & Suites honored as Menifee's October Business Spotlight

MENIFEE, CA— Fairfield Inn & Suites-Menifee by Marriott, the City of Menifee's newest hotel, has been selected as the city's October 2021 Business Spotlight, part of the Office of Economic Development's B3 (Building Better Businesses) program.

Fairfield Inn & Suites-Menifee opened its doors in late 2020. Located in the center of the city, the property is just one of the many new and exciting businesses that has recently made its home at Menifee Town Center, just off Newport Road and Town Center Drive.

The Fairfield brand is known for delivering an inviting and effortless experience for guests, offering a modern and comfortable stay close to amenities. The Menifee hotel houses one of the largest banquet rooms in Southwest Riverside County, which is available for corporate and community events and weddings.

Though just shy of its first anniversary in Menifee, the hotel has already become a vital part of the community, supporting local charities and causes such as blood drives, business mixers, law enforcement and youth sports gatherings, and first responders during the wildfire season.

"Fairfield Inn and Suites is a wonderful asset for Menifee residents, businesses, and visitors," Mayor Bill Zimmerman said. "We appreciate that the hotel is always there for local organizations, and the City Council is delighted to recognize Fairfield Inn & Suites for giving back to our growing community."
