City of Menifee to Hold Public Workshops to Review Capital Improvement Program

Residents are encouraged to attend these special city council meetings to provide their input and learn more about upcoming projects related to transportation, facilities, and parks and recreation.

MENIFEE, CA – The Menifee community is invited to attend a special workshop on Wednesday, April 6 at 3 p.m. at Menifee City Hall (29844 Haun Rd.) to provide input on the City’s Capital Improvement Program (CIP). An additional CIP workshop will be held on Wednesday, April 20 at 3 p.m. The CIP provides for the maintenance and improvement of the City’s infrastructure including streets, sidewalks, storm drains, street lighting, and traffic signals. The CIP also incorporates City-owned facilities, parks, and business/computer support systems.

The City’s current 5-Year CIP covers the years 2021 through 2026. A CIP Plan Book is also developed and updated annually to help ensure funding is available for the capital improvements in accordance with the program. That document was last amended on March 2, 2022, and is available for review on the City’s website [here \(www.cityofmenifee.us/CIP\)](http://www.cityofmenifee.us/CIP).

The City also has an interactive CIP status map for major projects viewable online [here \(www.cityofmenifee.us/CIP\)](http://www.cityofmenifee.us/CIP).

“The Capital Improvement Program guides the City’s long-term planning and implementation of critical infrastructure improvements that will help strengthen the quality of life of the Menifee community,” said City Manager Armando G. Villa. “These public workshops provide a tremendous opportunity for our residents to have a voice in this process and communicate their priorities directly to the City Council for consideration.”

For those unable to attend in person, both workshops can be watched live or later on the City’s YouTube channel [here \(www.cityofmenifee.us/youtube\)](http://www.cityofmenifee.us/youtube).

###

ABOUT MENIFEE: *Situated in the heart of southern Riverside County along Interstate 215, Menifee is a vibrant, new city of more than 100,000 residents who enjoy a pleasant year-round climate, abundant recreational offerings, reasonably priced housing, and convenient proximity to some of Southern California’s premier attractions and employment centers. Within its 50 square miles, Menifee’s business, retail, and entertainment outlets are starting to shape the community’s character and this growing economic base is also contributing favorably to the city’s strong financial position. Menifee’s growing family-oriented population values the city’s ongoing commitment to public safety, community events, and smart growth for the future. All of these elements are working together to support the city’s strategic vision to make Menifee one of the state’s most promising new cities.*
