City of Menifee Debuts Newly Renovated Lazy Creek Recreation Center

The remodeled, state-of-the-art facility will also be available for public viewing at an open house hosted by the Community Service Department on June 3 during a special Movies in the Park.

MENIFEE, CA – This morning, City of Menifee officials joined with representatives from Senator Rosilicie Ochoa Bogh and Assemblymember Kelly Seyarto and the greater Menifee community to celebrate the ribbon cutting of the Lazy Creek Recreation Center. The grand opening ceremony coincided with the Tiny Tots and Little Learners Graduation, two of the many youth programs currently hosted at the newly remodeled facility.

Improvements at the Lazy Creek Recreation Center include a renovated teen center, expanded patio, park restrooms, and a new building comprised of two multipurpose rooms and a serving area. This combination of new and renovated spaces will provide the Tiny Tots/Little Learners, After School program, Youth Leaders of Menifee Teen programs, and Summer Camps with more space to expand their imaginations and creativity.

“The City of Menifee is committed to providing high-quality youth programs that will engage and inspire the future leaders of our community,” said Menifee Mayor Bill Zimmerman. “The new and improved Lazy Creek Recreation Center will not only allow us to better deliver these programs, but the added capacity will allow for even more participation.”

In addition to today’s grand opening ceremony, the Community Services Department will be hosting an Open House event on June 3 from 7 p.m. to 9 p.m. to provide an opportunity for the public to see the upgrades to the Lazy Creek Recreation Center first-hand. The evening will also be filled with family-friendly activities culminating with a showing of the movie Encanto as part of the City’s Movies in the Park series.
