#### **Powers Family Dentistry Selected as Meniffee's August Business Spotlight**

*Based in Meniffee for over 30 years, Powers Family Dentistry is dedicated to providing complete dental care and service to the local community.*

**MENIFEE, CA** – The City of Meniffee is proud to announce Powers Family Dentistry as the August Business Spotlight, a program that is a part of the city's Economic Development Department's B3 (Building Better Businesses) program.

Powers Family Dentistry has been operating for over 30 years. Their first Meniffee location was opened by Dr. Fred Powers, who served Meniffee residents up until his passing in 2015. Fred's son, Dr. Jeremy Powers, took over the family practice after receiving numerous requests from his father's patients asking him to take over their care. Building on his father's local success, Dr. Jeremy opened a new location in Newport Commons (27174 Newport Rd. Ste #1) in 2019.

Powers Family Dentistry is dedicated to providing convenient care to their patients and Dr. Jeremy is a fluent Spanish speaker. He provides a variety of services including general and cosmetic dentistry and is also a certified provider of the Shatkin F.I.R.S.T technique for Mini Dental Implants.

Dr. Jeremy has continued his father's tradition of being involved in the community. As a resident and business owner, Dr. Jeremy serves as a local baseball and basketball coach, remains active in the Boy Scouts of America, and volunteers his time on annual service trips to Mexico.

"Dr. Fred Powers was well-known in the community for taking the time to really care for his patients," said Councilmember Lesa Sobek. "It is wonderful to see his son, Dr. Jeremy, carry on his father's legacy here in Meniffee."
