**MENIFEE, CA** – The City of Menifee is excited to announce the 2022 State of the City and annual city theme, “M’Powered Thru Service.” This year’s theme, selected by Mayor Pro Tem Dean Deines, pays homage to the many community organizations and non-profit groups that serve the Menifee community and have made lasting and positive impacts on the city, its residents, and businesses.

“While the City of Menifee provides numerous programs and services benefiting our residents and businesses, there are many vital community groups that work tirelessly here locally, that really contribute to how and why the Menifee community is so special,” said Mayor Pro Tem Deines. “This State of the City provides a perfect opportunity to recognize the great work that is consistently being done by local community leaders to help those in our city who need it the most, and really go above and beyond the call of service each and every day - empowering our City’s strength.”

The 2022 State of the City will also provide an overview of the City of Menifee’s strong financial outlook and notable projects and accomplishments, both completed and upcoming.

“The Menifee City Council has made a strong commitment to investing in our infrastructure with over \$500 million allocated to traffic circulation enhancements and roadway maintenance,” said Mayor Bill Zimmerman. “We remain steadfast in building a safe, thriving, and premier community for our residents and our businesses.”

The 2022 Menifee State of the City will be held at the Fairfield Inn & Suites by Marriott Menifee on Thursday, October 20 at 8:30 a.m., with the presentation starting at 9 a.m. (to be streamed live on the City’s YouTube channel and Facebook page). The event is hosted by the Menifee Valley Chamber of Commerce in partnership with the City of Menifee.

“The Chamber is proud to partner with the City in showcasing our community,” said Menifee Valley Chamber of Commerce Board Chair John Pironti. “Menifee is on the rise thanks to our local leadership and community trailblazers, and the Chamber is excited to bring everyone together to celebrate the accomplishments and see what’s on the horizon for our residents and businesses.”
