

Musco Control Link User Agreement

I, _____ (President/Representative) of _____ take full responsibility for my access code to the City of Meniffee's athletic field lighting control system (MUSCO Control Link). Furthermore, I understand and agree to the following terms and conditions:

- There will be no subleasing of field space at any time.
- Lights will never be turned on for any time other than what is reserved through field allocation process. Requests for additional time can be made through the Community Services Department
- The actual amount shown on light bill (calculated monthly) is the amount league agrees to pay (to the nearest full hour).
- If the City of Meniffee closes fields for any reason, lights will not be turned on until fields are reopened by the city.
- Under no circumstance will the league's password be disclosed to someone outside of the approved organization.
- In the event the league's password and/or username is misused or used by a non-representative, league president will notify the City of Meniffee immediately and have a new username and password issued.
- The username and password assigned will become inactive at the end of season.

The City of Meniffee will hold a zero tolerance policy on these terms and may suspend or revoke league's privilege to control lights if any of the above terms are not met.

Contact for MUSCO Control Link Lighting is (877) 347-3319 for scheduling of lights. Leagues are responsible for scheduling and turning off of lights. City of Meniffee will schedule all split field lights (if two teams are utilizing the same evening).
