BRICK = \$75.00

The City of Menifee and the Menifee Veterans Committee would like to thank all those who supported the construction of the Menifee Veterans Memorial. Community members and businesses now have the opportunity to purchase a brick (\$75 each) in the Memorial and have a loved one's name, family name, business, or organization's name etched into the Memorial grounds. A limited number of opportunities are available and bricks will be sold on a first come first serve basis. Simply fill out the attached information sheet and pre-pay for your brick. Bricks will be engraved on-site in the Memorial walkway. Each 3½ x 7½ inch brick has a space for three lines of 20 characters per line (including spaces) to print your dedication message or name.

Not only will you be confirming your support for the Memorial, but also assisting with on-going development and maintenance costs of the Memorial site.

Get your brick today by contacting Mandy Stephens, Executive Assistant at mstephens@cityofmenifee.us or 951.672.6777

Check Payable to:
City of Menifee / Veterans Memorial

For More Information Contact:

Your Purchase of a Brick Will Assist with the Following:

- Purchasing the reflecting benches around the Memorial
- Adding signage and etching of emblems and names into the Memorial Wall
- Completing the surrounding landscaping and planter areas
- Completing the electrical work and lighting components to keep the Memorial Star lit and provide additional lighting for the site
- Upgrading the flagpole lighting
- Designing and adding a wireless security system
- Continuing to assist in the funding the care and maintenance of the Memorial
