- c. A home occupation shall not be conducted in an accessory structure and there shall be no storage of equipment or supplies in an accessory structure or outside building.
- d. The residential character of the exterior and interior of the dwelling shall not be changed.

§ 5.01.060 BUSINESS REGISTRATION FOR HOME OCCUPATIONS.

(A) An initial application for business registration shall be made by each home occupation. The application shall be made on the form provided by the city, and it shall not be deemed filed until fully and accurately completed. All applications shall be accompanied by the applicable fees including but not limited to additional fees for late applications or failure to register.

(B) The application shall contain the following:

(2) If the business is advertised to the public by name or designation other than the name of the applicant, that name or designation and proof of filing of a fictitious business name statement.

(3) A detailed description of the nature of the business, including, but not limited to, whether the business is constructed in an accessory structure; whether additional vehicles come to the residence or are stored at the residence; whether or not the business involves storage of materials anywhere on the property (including outdoors or in an accessory structure); use of any hazardous materials of any kind; whether the business involves outcall services; or whether the business involves mobile food facilities or vending.

(4) A listing of any and all federal, state, county and other required permits or licenses, including any contractor's state permit or license number and category.

(5) Any other information necessary to determine appropriate regulatory requirements applicable to the business.

(6) The signature of the applicant under penalty of perjury that the information provided on the application is true and correct and that the applicant is responsible for all applicable fees. Any subsequent registration shall be deemed null and void if the license application contains any false or misleading information and providing such false information shall be a violation of this chapter.

(C) The information contained on the business registration form shall be reviewed by the City Clerk and other city staff as necessary. Based upon the nature of the home occupation, they may determine that business licensing and the corresponding inspection is necessary rather than business registration. In the event that a home occupation requires a business license, the registration fee paid shall be credited to the license fee and/or inspection deposit.

The applicant for a Home Occupation has read, understands and shall abide by the above noted Code provisions. _____ (Applicant initials)
